“Your words are my food, your breath my wine
You are everything to me”  Sarah Bernhardt

“Love is the greatest refreshment”  Pablo Picasso

“Gravity cannot be blamed for falling in love”  Albert Einstein

“Never eat more than you can lift”  Miss Piggy

Chocolate has long been associated with love.

At one time nuns were forbidden to eat it because of its sexual reputation.

Casanova is believed to have thought of hot chocolate as the ‘elixir of love’.

In the 18th century, French doctors prescribed chocolate to women patients for a broken heart.

“Eating is like love – it should be entered into with abandon”  Miss Piggy
